

Policy and Procedures for Online Proctoring

Policy and Procedures for Online Proctoring

Approved 7/11/2012

Revised and Renamed 12/4/2018; Further revisions: 10/15/2021; June 2022

SCOPE

The primary purpose of this document is to state the University adopted policies and procedures related to testing in an online environment. This document is intended for all faculty and staff who are responsible for administering and supervising on campus tests.

Faculty and staff are usually responsible for administering and supervising on campus tests. In some situations, instructors may allow a qualified person to proctor tests on campus. Instructors must adhere to their College/School policy (if any) regarding on campus proctors.
